

About This Product

The Aware Buildings Natural Gas Alarm offers powerful protection against natural gas leaks, delivering fast, accurate detection and a decade of worry-free operation. Featuring a built-in, maintenance-free 10-year sealed battery, this alarm ensures continuous monitoring even during power outages-no battery replacements required. Ideal for residential use, this wall-mounted alarm detects methane (CH₄) and alerts you with a loud 85 dB horn and a bright, easy-to-see visual indicator. Designed for simple use and reliable performance, it includes an Auto Silence feature to temporarily quiet non-hazardous alarms and a Test/Reset button for quick functionality checks. End-of-service life and fault indicators let you know when it's time for a replacement. The compact, low-profile design blends into modern spaces while meeting UL 1484 standards for natural gas detection.

Highlights

- 10-year sealed battery for maintenance-free operation
- Loud 85 dB alarm with LED visual indicator
- Detects methane (natural gas) leaks
- Auto silence and test/reset button
- End-of-service life and fault alerts
- Tamper-resistant alarm design engineered to prevent unauthorized removal, disassembly, or battery access.
- UL 1484 compliant for residential use
- No wiring or battery changes required
- Mount within 12 inches of the ceiling and 3-10 feet from gas appliance for more accurate detection

Specifications

Dimensions:

Device Depth: 3.5 in

Device Width: 4.5 in

Details:

Alarm/Detector Features: 10-year battery

Alert Type: 85dB beep

Battery Type: (2) AA 1.6v Lithium

Included: Batteries

Pack Size: 1

Power Source: Battery

Voltage (V): 3V

Warranty/Certifications:

ETL Listed
